## Report of Committee on Town Debt

---

*To the annual financial town meeting of Warwick:*

The undersigned who were elected at the last annual financial town meeting as a committee on the town debt, are unable to give this meeting any definite information relative to the present town debt, or to report in detail the present condition of the town's finances, owing to the fact that we have been wholly ignored by the present and former town treasurer, in the financial management of the town.

An attempt was made by the two past town councils, actively assisted and joined in by the preceding town treasurer, to usurp the powers which the financial town meeting of Warwick has exercised for more than thirty years in appointing a committee on town debt.

Apparently acting upon some very bad advice the town council assumed that it could appoint a committee on town debt and proceeded to do so. Without notifying certain banks with whom the treasurer was then dealing, the then town treasurer succeeded in palming off upon those banks certain of the town's notes bearing the indorsement only of the bogus committee on town debt.

The gentlemen responsible for this bit of financiering have all now learned that it is the exclusive right of this body to appoint a committee on town debt. They know that the body appropriating money and borrowing money has the right to decide by whom it shall be borrowed and under what conditions.

But they have been taught this lesson at a very considerable cost to the town of Warwick: the town's reputation for business methods and financial standing in the country has been injured and injured solely as the result of the conduct of the past town treasurer and the past two town councils.

Upon one other matter your committee is able to make a more encouraging report. We were instructed by the last financial town meeting to bring suit against the members of the Town Council of 1909 to recover the sum of money illegally paid to those members

by the then Town Treasurer Herbert W. Barber.

In accordance with these instructions we instituted suit against Joseph Barber, George J. Holden, Louis Lemoine, Samuel H. Long Adelbert E. Place, William M. Smith and Amasa P. Taber, and we are happy to inform you that, after fighting the cases through all the courts of the State, we have collected the money.

Mr. Joseph Barber returned his share of the money after the decision of the Superior Court in favor of the town, but the other six members contested the cases through the Supreme Court.

We collected from each of these six members the sum of \$162.95, (in addition to the Court costs), this being the sum illegally taken with interest thereon. Total amount collected on execution \$977.70.

And we did this without drawing a penny from the appropriation of \$1,000, made by the town meeting for use in those cases. We employed counsel to carry the cases through court. Out of the sum thus collected we have paid \$300 to counsel in full payment for services and expense in these cases.

We now present to this meeting with and as a part of this report a check for the sum of \$677.70 payable to the Town Treasurer of the Town of Warwick.

Suit has been commenced against the former Town Treasurer for the amount of money overdrawn by him, and we recommend that said suit be pressed to a conclusion.

Respectfully submitted,

PATRICK H. QUINN,  
LOUIE D. PIERCE,  
ROBERT T. THURBER.
